## *SOME FACTS ABOUT THE MOUNT CARMEL GUILD*

The Mount Carmel Guild of Newark was founded in 1930 by the Most Rev. Thomas J. Walsh, S.T.D., J.C.D., Bishop of Newark.

The purpose of the Guild is to give material aid and spiritual comfort to the needy, the hungry, the sick and the afflicted, and to instruct the young in the teachings of the Holy Church.

The Guild makes no distinction as to race, color or creed. It helps any worthy person in need and its charitable acts are done in confidence and kindness.

The Guild's funds are obtained entirely by contributions from both Catholics and non-Catholics.

All workers for the Guild are volunteers.

The Guild, because of its inspiration, injects a warm, human touch into all its activities. If an individual or family is worthy and in dire need it acts immediately. In emergency cases it can provide relief within a few hours after application has been made.

### **It's Departments**

The Guild maintains twenty-five departments. They are as follows: Americanization, Adult Reform, Boys' Clubs, Catechetical, Cooking, Day Nurseries, Directories, Employment, Institutional Visitors, Juvenile Reform, Legal Aid, Literature, Material Transfer, Medical Aid, Motor Corps, Music, Outfitting, Parent-Teacher Associations, Physical Culture, Physical Relief, Publicity, Social Centers, Social Inquiry, Travelers' Aid and Vacation Schools.

## It's Relief Program

The Guild's physical relief department aided more than 14,000 individuals during 1934. It provided cash relief, grocery orders, rent checks, clothing, fuel, medicine, milk, furniture, layettes, eyeglasses, orthopedic shoes, and other material necessities.

## It's Other Activities

It distributed more than 77,000 books, magazines and leaflets.

Its volunteer workers made thousands of visits to homes and institutions.

It maintained 18 schools in which more than 6,000 Catholic children attending public grammar schools were given Catechetical instruction.

It conducted 3 training schools for teachers in Catechetical instruction with an attendance of 114.

It conducted vacation schools in which more than 800 children were given vocational training and the benefit of organized recreational activities.
